

SOCIAL ENTERPRISE LEADERSHIP Training
Call for participants

The Purpose of this training

Under its Social Enterprise programme 'Social EntrepreNorth', the British Council is organising a Social Enterprise Leadership Training (SELT) to help Social Enterprise Leaders improve their knowledge on social enterprise, and develop their trainings skills, contribute to raise their expertise and confidence in providing further one-to-one support to young social entrepreneurs, and enable them to cascade the training to the local communities.

This call is for all the social entrepreneurship oriented people willing to train future social leaders. The training is designed for people who want to acquire new knowledge and cascade it to their communities and have the chance to further develop their competences as a trainer and facilitator in the social entrepreneurship domain.

This 5-day workshop training is designed to bring together ambitious people who would like to acquire an overview on how to employ entrepreneurial skills and to address social issues in their communities and institutions. At the end of this training, participants will gather the knowledge and the experience to become a certified trainer in Social Enterprise.

The workshop will take place in Tangier from the 25th until the 29th of January 2017 and the participants will receive at the end of the course a certificate. The working Language of the training will be English but an interpreter will be available.

It is FREE for all 20 accepted participants. However, each participant is in charge of the cost for transport to and from Tangier.

Eligibility

Participants will enter this SELT with various levels of experience as trainers, consequently the learning needs of participants will be different. The educational approach implemented in our SELT, intends to allow for these different learning needs to be identified and pursued.
